JHA Family Scholarship Application

The JHA Family Scholarship was created to promote leadership in the medical profession. The \$3,000.00 per academic year (\$1000 a semester) scholarship is open to new and current students who meet the criteria below. St. Matthew's University is proud to offer this scholarship to students who display exceptional leadership skills in the medical field. It is our way of rewarding leadership while encouraging individuals to pursue a medical degree.

At the time of application, candidate must:

- Have documented proof of participating in a leadership capacity.
- Have one letter of recommendation from a person that can attest your leadership ability.
- Have an overall GPA not lower than 3.0
- Submit a letter requesting the consideration of the Scholarship Committee. The letter must include abilities, community achievement, and any leadership award received.
